Our School

Plymouth Elementary serves approximately 600 students in Transitional Kindergarten through 5th Grade. We provide our students with exciting learning opportunities, including a dual immersion Mandarin program. We are a Title I school with approximately 60% of our students on federal free or reduced school lunch plans.

Our PTA

The Plymouth Parent-Teacher Association, Inc. (or "Plymouth PTA") is a non-profit, all volunteer organization that provides support and enrichment to the students and families at Plymouth Elementary.

What We Do

Plymouth PTA engages students and families to be active participants in our school community, enriches student experiences and learning beyond the classroom, and provides additional financial support to our Title I School. Examples of what we do each year include:

- Funding, programming, and staffing our Plymouth Makerspace
- Funding for field trips and assemblies
- Four free books for every student
- Stipends for teacher supplies
- Equipment for play yards and student safety
- Additional programming through our PTA Family Nights
